Hilton expands its DoubleTree by Hilton portfolio in India with the recent conversion of Hilton Garden Inn Gurgaon Bani Square to DoubleTree by Hilton Gurugram Bani Square.

With this addition, there are now nine DoubleTree by Hilton properties in India. Guests will continue to experience exceptional hospitality, now with the DoubleTree signature warm welcome and the brand's caring service from July 11th, 2021.

DoubleTree by Hilton Gurugram Bani Square is owned by Bani Technology Services Pvt. Ltd. and managed by Hilton.

“As we continue to find opportunities to deliver the light and warmth of hospitality in India, we remain committed to bringing the right brands to the right markets at the right time. With its ideal location, popular restaurants and bars and backed by an experienced Hilton team, we are confident this hotel will achieve even greater heights in offering exceptional guest experiences,” shared Navjit Ahluwalia, senior vice president and country head, Hilton India.

Over the past eight years, the hotel has established itself as an ideal destination amongst business and leisure guests with its central location close to Bani Square's shopping boutiques and restaurants, and steps away from Good Earth City Center.

The hotel underwent a series of renovations and upgrades, including a reconfiguration of the lobby to provide more spaciousness and seamless access to the café and all-day dining restaurant Glasshouse, which has been upgraded with new flooring and ambient lighting. Vibe: The Skybar, known for its iconic panoramic views and fashionable edge, now offers handcrafted cocktails to be enjoyed alongside international bar bites with a local twist, such as Blue Cheese Malai Tikka, Boti Sliders and more.

The 201 guest rooms now feature 55-inch SMART TV and updated contemporary design touches in line with the DoubleTree brand.

“We are committed to providing outstanding service to our guests and will continue to do so,” added Virendra K Bhatia of Bani Group.

As part of the Hilton's [Travel with Purpose](#) initiative, DoubleTree by Hilton Gurugram Bani Square is committed to reducing its environmental impact through green practices in maintenance, services and products.

“While we have achieved a great new look, our values and beliefs have not changed. Our commitment to service and a culture of care is what sets DoubleTree by Hilton Gurugram

Baani Square apart. Our guests can enjoy a memorable experience with DoubleTree's celebrated approach to hospitality, starting with the brand's signature, warm DoubleTree cookie," added Jai Chugh, General Manager of DoubleTree by Hilton Gurugram Baani Square.
